Re: Formal Statutory Nuisance Complaint — [Address of Noise Source] — Environmental Protection Act 1990

Dear Environmental Health Officer,

1 INTRODUCTION

I write to make a formal complaint of statutory nuisance under Section 80 of the Environmental Protection Act 1990, arising from persistent and unreasonable noise originating from the premises at the address stated above.

I request that this complaint be treated as a formal statutory nuisance complaint and that an Environmental Health officer be assigned to investigate and take the appropriate action set out in the Act.

2 DETAILS OF THE NOISE NUISANCE

Address causing noise	[Full address of the property from which noise originates]
Type of noise	[Describe specifically — e.g. loud music with heavy bass, persistent shouting, constant dog barking]
Frequency	[How often — e.g. every weekend, several times per week, nightly]
